SATHAYE COLLEGE (AUTONOMOUS)

2022-2023

Sathaye College; formerly called Parle College, was established in 1959 by Parle Tilak Vidyalaya Association. The college is permanently affiliated to the University of Mumbai for the courses leading to B.A., B.Sc., B.Com., B.Sc. (I.T.), B.M.S., B.A.M.M.C (Marathi), M.Sc.(I.T.), M.Sc.(Chemistry / Botany) and M.A. (Hindi, Buddhist Studies). The Courses for B.F.M., B.A.F., M.Com, MAEMA and M.Sc. (Data Science) are being introduced from 2022-23.

The advantages for a college becoming autonomous

As per the rules and standards set by the National Assessment and Accreditation Council (NAAC), any college with a score of 3.51 or above (on a scale of 4) or with A grade for 3 consecutive cycles is eligible to become an autonomous college.

An Autonomous college has many advantages as well as flexibility in many important aspects of its functioning such as :

- It can design its own curriculum to make it more useful for its students and ensure that it meets the future demands of any course as per the requirements of the industry and services.
- The college can plan and implement its own examination pattern which will help in the proper evaluation of its students through modes such as continuous internal assessments, field visits, minor research projects, industrial and research institute visits, etc, in a time-bound manner. Such flexibility is not easy to have in a non-autonomous college, in which the examination and evaluation process has to function as per the parent University guidelines which are often very rigid.

ADD-ON COURSES AND THEIR SIGNIFICANCE:

In today's competitive world, it is imperative for students to acquire additional specialized skills apart from what is learnt in the regular academic curriculum.

Also, a student may be interested in several subjects or areas that are not a part of his or her regular syllabi. Realizing this necessity, our institute has decided to introduce several Add- On / Certificate Courses across various streams of Arts, Commerce, Science, Management, Information Technology, Mass-Media, and Entrepreneurship Development and Language Skills. Almost 44 add- on courses are being offered to cater to the various needs of a student.

A student can opt for any of this wide spectrum of add- on courses as per their areas of interest to enhance their professional skill development. Also, at least one add- on course will form a compulsory component of the curriculum to acquire the requisite credits for a particular degree course. The details of all these add-on courses will be found on our college website.

GYMKHANA :

The College Gymkhana of which the Principal is the ex-officio President, is managed by the Chairman, who is nominated by the Principal. The Chairman is usually a senior member of the teaching staff. He/she conducts the activities of the Gymkhana with the assistance of various lecturers and Student Secretaries elected from among the students.

The Gymkhana aims at encouraging students to participate in sports, and at enhancing their sport / athletic.

It conducts various tournaments within the college and sends out students to represent the college in various Inter-collegiate and other competitions.

The Gymkhana provides a Reading Room for students.

Students participating in the Sports Events at Inter-University / Inter-State / National / Inter National level, are entitled to a maximum of 10 grace marks at their first attempt in the examinations, as laid down under **0.229-B**.

CAREER GUIDANCE

The library receives various pamphlets and booklets with information on Career-Guidance and Career Building. A separate cupboard has been created to preserve these pamphlets and books. The students are advised to browse through the pamphlets, internet sites, books etc. for getting clear perspective about particular career.

Health concerns come first:

For any person to be able to gain proper learning, they have to be in sound physical and mental health. Sometimes, students may suddenly have a health problem or a small injury while on our campus. A First-aid box is available in different parts of the college to provide them with immediate medical aid. In case of anything more serious, Doctors in the vicinity of our college are available on call. A Wheelchair and stretcher are also available in case of any emergency.

Yet, we would appeal to parents and students themselves that they make sure to eat something before they come to college in the mornings to avoid unnecessary weakness.

A student's mental health is very important. While our teachers deal with small issues that students may have about certain fears and anxieties and help them overcome those, some students could face more serious issues where they need professional assistance. Hence, we also have a professional Counsellor on campus every 3 days of the week to professionally guide students with more serious mental health issues. Prior appointment has to be sought before approaching the Counsellor.

For the women students, a Sanitary napkin vending and dispensing machine for women students is available in the Girls' Common room.

Our college also has a proper functioning Canteen guaranteeing nutritious food at a reasonable price even while catering to the changing tastes of students.

Our college has been running zero waste management policy for last five years and special infrastructure arrangement facilities like vermicompost pit and wet waste collection and composting pit.

Sathaye college has two NCC units that belong to Army wings. The unit aims to enroll the students who are willing to join the armed forces and civil services. It helps students to learn personality development qualities, team building activities, and participate in social activities as well. Our NCC cadets participate in the Republic Day Parade at the state and national level and also in various National and Regional camps. Our NCC unit has bagged University of Mumbai's Vice-Chancellor banner thrice in the year 2015, 2017 and 2018.

Sathaye college NSS unit gives the students an opportunity to develop the qualities of leadership and sense of social responsibility in them. The N.S.S. Unit of our College conducts regular and special camps, Blood donation drives, social awareness campaigns, personality development programmes etc. for the volunteers. Over a period of time, our NSS and NCC units have contributed in earning a significant recognition to college in Mumbai University.
