# SATHAYE COLLEGE [AUTONOMOUS]

## पूर्णता गौरवाय

### VISION, MISSION AND OBJECTIVES

#### VISION :

- To educate and train the students to be efficient, empathetic and socially responsible individuals and foster a research-oriented academic environment through applying an issue-based problem-solving method for both students and teachers.

#### MISSION :

- To Facilitate the pursuit of academic excellence.
- To harness students' potential for extra-curricular and co-curricular activities.
- To foster in students a commitment towards society and nation.
- To sensitize students towards environmental issues.
- To inculcate in students an ability to think independently and choose right from wrong on the basis of strong ethical values.

#### OBJECTIVE :

- The College aims to achieve its vision by instilling in its students and staff a strong foundation to become responsible citizens of our country.
- It strives to maintain a high standard of education and provide an inclusive environment for all students and staff.
- The College enforces and maintains academic discipline on the campus, promotes sports culture, and fosters a research-oriented academic environment by applying an issue-based problem-solving method for both students and teachers.

## About the College: ‘पूर्णता गौरवाय’

Welcome to Sathaye College, a beacon of academic excellence and holistic development located in the vibrant suburb of Vile Parle. Established in 1959 by the Parle Tilak Vidyalaya Association, our college has been a pioneering institution in the field of higher education, offering a diverse range of courses and fostering a culture of innovation and leadership.

At Sathaye College, we pride ourselves on our rich history and tradition of academic excellence. Initially founded as an Arts and Science College, we expanded our offerings over the years to include Commerce, Sociology, Microbiology, Psychology, and a host of self-financing courses such as B.Sc(I.T.), B.M.S., and B.M.M. We also offer postgraduate programs like M.Sc. (I.T.), M.A. in Hindi, M.A. in Buddhist Studies, and Ph.D. in Physics, catering to the diverse interests and career aspirations of our students.

Over the years, our college has garnered numerous accolades and recognition for our commitment to quality education. We have been accredited twice by NAAC with an ‘A’ grade, and in 2004, we were honoured as the ‘Best Vocational Institute’ at the +2 level. In 2015, the University of Mumbai recognized us as the ‘Best College of Mumbai University (urban)’ for our outstanding contributions to higher education. Additionally, our NCC cadets have been consistently recognized for their exemplary service, earning us the prestigious ‘Vice-Chancellor’s Banner’ in 2015.

Our success is a testament to the dedication of our founders and the vision of our esteemed faculty members. From our founding Principal, C. B. Joshi, who tirelessly pursue academic excellence, to luminaries like Dr. K. S. Nargund, who brought renown to our institution in the field of Organic Chemistry, our college has always been at the forefront of academic innovation and research.

The true measure of our success lies in the achievements of our alumni, who have distinguished themselves in a myriad of fields including administration, foreign services, defence, education, arts, film, theatre, sports, dance, music, I.T., and media. Their accomplishments serve as inspiration to current and future generations of Sathaye College students, reminding us of our core value of educational attainment.

At Sathaye College, our vision is encapsulated in the phrase “Purnata Gauravay” (पूर्णता गौरवाय), which translates to “Pride in Excellence.” We strive to instil in our students a sense of pride in their academic achievements and empower them to become leaders and change-makers in their respective fields.

As you embark on your academic journey, we invite you to join us at Sathaye College, where excellence is not just a goal but a way of life. With our world-class faculty, state-of-the-art facilities, and vibrant campus community, we are committed to providing you with a transformative educational experience that will prepare you for success in the 21st century and beyond.

Come, be a part of the legacy of excellence at Sathaye College!

## INTRODUCTION OF NEP

The National Education Policy 2020 (NEP 2020) is a comprehensive framework for the transformation of the education system in India. It was introduced by the Government of India in July 2020 and aims to bring about significant reforms in the country's educational landscape. The NEP 2020 is the first major education policy in India in over three decades, replacing the previous policy which was formulated in 1986. It seeks to address the evolving needs of 21<sup>st</sup> century learners and align the education system with global standards. The National Education Policy 2020 (NEP 2020) introduces significant reforms in the higher education sector in India. It aims to transform the higher education landscape by addressing various aspects such as curriculum, pedagogy, governance, and research.

### Highlights of NEP–2020 :

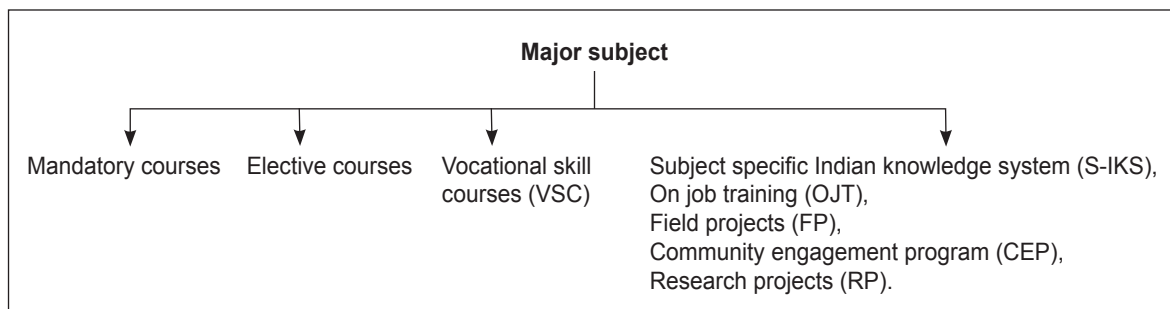

- 1. Multidisciplinary Approach:** NEP 2020 emphasizes a multidisciplinary approach in higher education, allowing students to choose subjects from different disciplines and promoting the integration of arts, humanities, sciences, and professional courses. It aims to break the rigid boundaries between different fields of study and encourage cross- disciplinary learning.
- 2. Flexible Undergraduate Programs:** The policy introduces flexible undergraduate programs, allowing students to choose a major and minor subject combination or to pursue a multidisciplinary approach with a wide range of subjects. This flexibility enables students to customize their education based on their interests and career goals.
- 3. Holistic Learning and Skill Development:** NEP 2020 emphasizes holistic learning and the development of critical thinking, creativity, communication skills, and ethical values among students. It focuses on promoting experiential learning, vocational education, and internships to bridge the gap between theoretical knowledge and practical skills.
- 4. Research and Innovation:** The policy lays emphasis on promoting research and innovation in higher education institutions. It encourages the establishment of research parks, incubation centers, and collaboration with industries and research organizations to foster a culture of innovation and entrepreneurship. NEP 2020 also emphasizes the integration of research into undergraduate education.
- 5. Accreditation and Quality Assurance:** The policy emphasizes the need for a robust accreditation and quality assurance system in higher education. It aims to establish an independent and autonomous accreditation authority to ensure the maintenance of high- quality standards in higher education institutions.
- 6. Technology Integration:** NEP 2020 recognizes the importance of technology in higher education and encourages the integration of technology-enabled learning methods. It promotes the use of online resources, digital libraries, and e-learning platforms to enhance access to education and improve the quality of teaching and learning.

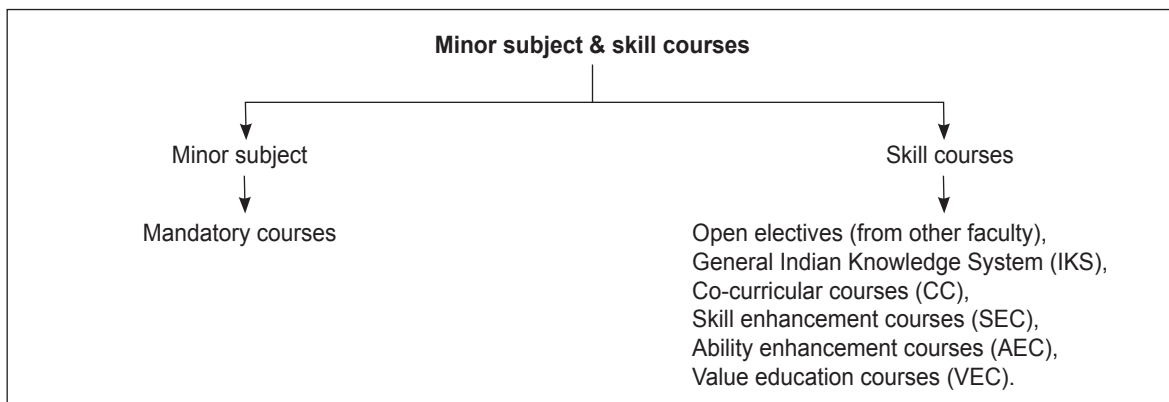

7. **International Collaboration:** The policy encourages higher education institutions to foster international collaborations and partnerships. It aims to facilitate student and faculty exchange programs, joint research projects, and twinning programs with reputed foreign universities to promote global exposure and enhance the quality of education.
8. **Governance and Regulation:** NEP 2020 proposes the establishment of a single, overarching higher education regulatory authority called the Higher Education Commission of India (HECI). HECI will replace existing regulatory bodies and ensure a more streamlined and transparent regulatory framework for higher education institutions.

The National Education Policy 2020 in higher education envisions a transformation in the quality, relevance, and accessibility of higher education in India. It aims to equip students with the necessary skills and knowledge to excel in a rapidly changing global landscape and contribute effectively to society and the economy.

The structure of the Three/Four-year bachelor’s degree program under NEP-2020 allows the opportunity to the learner to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per their choices and the feasibility of exploring learning in different institutions.

In **Department/Subject Specific Core courses (DSCs)**, at the time of admission, learners need to choose a single major subject from the list of subjects offered by a college. The DSC approach ensures intensive specializations in the Multidisciplinary domain. In a three year or four- year degree program, a learner has to learn 1. Major subject 2. Minor subject and skill courses (as shown below)

The Credit Structure for different levels under the Three/Four-year UG Program with multiple entry and multiple exit options are as given below:

Level	Year	Qualification title	Credits
4.5	First	UG Certificate	44
5.0	Second	UG Diploma	88
5.5	Third	Three-Year Bachelor's Degree	132
6.0	Fourth	Bachelor's Degree-Honours	172
	Fourth	Bachelor's Degree-Honours with Research	172

### Faculties and list of Major Subjects offered: Undergraduate Degree

Sr. No.	Faculty of Arts	Faculty of Commerce	Faculty of Science	Self-Financed Programs
1	Ancient Indian Culture	Accountancy	Botany	B.A.F.
2	Defence Studies	Commerce	Chemistry	B.A.M.M.C. (English)
3	Economics		Mathematics	B.A.M.M.C. (Marathi)
4	Education		Microbiology	B.Com. (Management)
5	English (Literature)		Physics	B.Com. (Sports Management)
6	Geography		Statistics	B.Sc. IT
7	Hindi		Zoology	
8	History			
9	Marathi			
10	Philosophy			
11	Political Science			
12	Psychology			
13	Sanskrit			
14	Sociology			

**Postgraduate Degree:** Sathaye College (Autonomous) offers PG programs in the following subjects.

Sr. No.	Aided Programs	Sr. No.	Self-financed Programs
1	M.Sc. Botany	1	M.Sc. Data Science
2	M.Sc. Chemistry	2	M.Sc. Information Technology
		3	M.Sc. Zoology (Molecular Biology)
		4	M.Sc. Microbiology
		5	M.Sc. Physics
		6	M.A.Communication & Journalisum
		7	M.A.Entertenment Media & Advertisment
		8	M.A. Hindi
		9	M.A. History
		10	M.A. Buddhist Studies
		11	M.Com. (Advanced Accountancy)

### Verticals in NEP-2020:

During a graduation tenure, a learner will have to learn various categories of subjects like major subject courses, elective subject courses, minor subject-related courses, generic or open electives (OE), Vocational skill courses (VSC), Skill enhancement courses (SEC), Ability enhancement courses (AEC), value education courses (VEC), Indian knowledge system (IKS), On the job training (OJT), Field projects (FP), Community engagement program (CEP), Co-curricular courses (CC), research projects (RP).

- 1. Major subject** is a subject of specialization in which a learner gets the degree (e.g. B.Sc. major in Zoology). Each major subject will have a number of courses.
- 2. Elective courses** are related to the major subject offered in the third year of graduation. They are called electives because a learner gets to choose the course from a list of offered courses. For example, in semester V of B.Sc. Zoology may be offering subjects like 1. Medical Diagnostics 2. Tools and techniques in Biology. Out of these 2 elective courses, the learner can elect (choose) any one course.
- 3. Minor subject** is one which compliments the learning of a major subject. For example, a learner with a Zoology major may have Botany or Chemistry as minor subjects. In the second semester, a learner has to choose the minor subject from the list of major-minor combinations offered by college.
- 4. Generic or Open Electives (OEs)** Each faculty will be offering a basket (list of) courses for OE. A learner has to choose OE courses from other faculty i.e. a learner from for B.Sc. may choose OE from Arts faculty or Commerce faculty.

5. **Vocational Skill Courses (VSC)** are offered by each major subject. The objective of learning VSC is to enable learners to develop job or business-oriented skills related to major subjects.
6. **Skill Enhancement Courses (SEC)** are general in nature. The SEC enhances the employability of the learner by enhancing their job-related skills like presentation skills, use of advanced level of software etc. A learner has to choose SEC from the basket (list of) courses offered by the college.
7. **Ability Enhancement Courses (AEC)** offers a basket of courses related to language and Literature and Environmental Science and Sustainable Development.
8. **Value Education Courses (VEC)** encompasses courses related to personality building, embedding ethical, cultural and constitutional values, promoting critical thinking and scientific temperament etc. A learner has to choose VEC from the basket of VEC offered by the college.
9. **Indian Knowledge System (IKS)** courses are of two categories (general IKS and major subject specific S-IKS). The objective of having IKS courses is to give information regarding the contribution made by Indians in the various fields as a result, a learner would get inspiration from it. A learner has to learn a general IKS in the first semester and a major subject- specific IKS in the fifth semester.
10. **On-Job Training (OJT)** involves internship and apprenticeship related to the major subject. The objective of having OJT is to link the subject-based learning with skill requirements in the industry. The best possible way to achieve this is to expose learners to the actual field of work by offering them an internship and apprenticeship. Each major subject offers OJT courses in the third year of graduation.
11. **Field Projects (FP) and Community Engagement Program (CEP)** courses are offered by each major subject and their objective is to field based learning, rural-urban settings, socio-economic context of the subject etc.
12. **Co-curricular Courses (CC)** such as Sports and Culture, NSS/NCC. A learner may enroll for these courses and avail the credits.

NEP credit structures for Undergraduate Programs:

## **I. FACULTY OF ARTS – First-Year DSC Model**

Courses offered under NEP-2020

**Major/Minor Courses:** Ancient Indian Culture, Defense Studies, Economics, Education, English Literature, Geography, Hindi, History, Marathi, Philosophy, Political Science, Psychology, Sanskrit, Sociology. Students have the option to choose a Major (core) from any of the Fourteen subjects listed below.

**Combination of MAJOR Courses:** Students can customize their academic path by selecting two options for Major/Minor out of the 14 Courses that aligns with their interests and goals. One of these will become major and other remains as minor in the second year.

Option 1 for Major/ Minor	Option 2 for Major/ Minor (Anyone)
Ancient Indian Culture	Defense Studies, Economics, English, Hindi, History, Marathi, Psychology, Sanskrit, Sociology
Education	
Geography	
Philosophy	
Political Science	
Defence Studies	Ancient Indian Culture, Education, English, Geography, Hindi, Marathi, Philosophy, Political Science, Sanskrit
Economics	
History	
Psychology	
Sociology	
English	Ancient Indian Culture, Defense Studies, Education, Economics, Geography, History, Philosophy, Political, Psychology, Sociology
Hindi	
Marathi	
Sanskrit	

**VSC: Vocational Skill Courses:** Students have the opportunity to learn from a diverse vocational skill course. These courses include Hands-on training corresponding to Major subjects.

**OE: Open Elective Courses:** Various disciplines within the Science Faculty provide a range of Generic/Open Elective (OE) courses. (Anyone from each group)

Semester I	Semester II
<b>Botany:</b> Basics of Plant Sciences  <b>Chemistry:</b> Chemistry in Daily Life	<b>Botany:</b> Introduction to Horticulture  <b>Chemistry:</b> Environmental Chemistry
<b>Mathematics:</b> Quantitative Aptitude  <b>Microbiology:</b> Food Nutrition and Dietetics	<b>Mathematics:</b> Fundamentals of Financial Mathematics  <b>Microbiology:</b> Environmental Science and Sustainability

**VEC: Value education Course offered (Semesters I and II):** Value education courses are introduced in the curriculum because they aim to instill ethical and moral values, promote character development, and help students become responsible and socially conscious individuals.

The course title under this verticle is **Good Citizen** (Understanding India, Environment Science/Education, Digital and technological solutions)

**SEC: Skill Enhancement Courses (Semesters I and II):** A variety of skill enhancement courses are made available for students to participate in and enhance their abilities.

- Technology Tools for Job Placement
- Tools for Online Content Creation

**AEC: Ability Enhancement Courses:** The focus of both languages is on linguistic and Communication Skills.

Semester I	Semester II
<b>Marathi:</b> लेखन कौशल्य <b>Hindi:</b> अनिवार्य हिंदी -१	<b>Marathi:</b> भाषा संपादन कौशल्य <b>Hindi:</b> अनिवार्य हिंदी – २

**CC: Co-Curricular Courses:** PTVA's Sathaye College has always emphasized on holistic development of Learners. Co-curricular activities have always been an integral part of Sathaye College's mission to provide quality education to students. Co-curricular activities promote the growth of diverse mental and personality dimensions, including intellectual, emotional, social, moral, and artistic development. These activities include disciplines that are not part of the usual academic curriculum but are beneficial for an individual's overall development.

- Cultural Events / College festival / EDC activity/ Co-curricular Course
- NCC Studies
- NSS Studies

**IKS: Indian Knowledge System** - IKS encompasses a wide range of ancient wisdom, including traditional medicine, astrology, yoga, meditation, and more. These systems have been passed down through generations and have played a significant role in shaping India's history and culture.

## **FACULTY OF COMMERCE – First-Year DSC model**

Courses offered under NEP-2020

**Major Courses:** Accountancy, Commerce

Students have the option to choose a major (core) from either of the above two subjects.

**Combination of MAJOR-MINOR Courses:** To ensure complete knowledge of Major subject, Economics has been offered as minor subject to each major subject.

Major	Minor
Accountancy	Economics
Commerce	

**VSC: Vocational Skill Courses:** Each major subject offers a number of VSCs throughout a three years degree program. VSCs give practical applications of the major subject in the financial world and make students more competent, proficient and employable.

Major	VSC in Semester I	VSC in Semester II
Accountancy	Bookkeeping and Basic Accounting	Introduction to Accounting Software
Commerce	Business Registration and Compliances	Business Documents

**COMMON COURSES FOR ACCOUNTANCY MAJOR OR COMMERCE MAJOR: OE, VEC, SEC, AEC, CC, and IKS**

**OE: Open Elective Courses (Semesters I and II):** To ensure the multidisciplinary approach of NEP, OE from Science and Arts faculties have been offered to the students.

OE	Semester I	Semester II
OE1	Mathematical and Statistical Techniques-I	Mathematical and Statistical Techniques II
OE2	Environmental Studies - I	Environmental Studies - II

**VEC: Value education Course offered (Semesters I and II):** Offered VECs are common to the students of all the faculties. The personality building, embedding ethical, cultural and constitutional values, and promoting critical thinking and scientific temperament are a few of the objectives of VEC.

Semester I	Semester II
Good Citizen-I	Good Citizen-II

**SEC: Skill Enhancement Courses (Semesters I and II):** SECs offered primarily improves the soft skills of the students. The courses involved online learning and hands-on training.

Semester I	Semester II
Technology Tools for Job Placement-I OR Tools for Online Content Creation-I	Technology Tools for Job Placement-II OR Tools for Online Content Creation-II

**AEC: Ability Enhancement Courses (Semesters I and II):** The ability to communicate efficiently and present oneself in the most efficient way is a need of every field today. To develop the skill of communication, students will learn Business Communication (English) in both the Semesters.

Semester I	Semester II
<b>English:</b> Business Communication I	<b>English:</b> Business Communication II

**CC: Co-curricular Courses (Semesters II):** Credits are assigned to the students for actively participating in various co-curricular activities. This allows students to enhance cultural awareness and expression in the society. In the Semester II, students may avail the credits assigned to CC by **any one** of the following categories.

- Cultural Events / College festival / EDC activity/ Co-curricular Course
- NCC Studies
- NSS Studies

**IKS: Indian Knowledge System (Semesters I):** The course based on IKS gives documented information about the contribution made by Indians in various fields of Science, Arts, and Commerce. This allows students to learn and feel proud about the contribution of Indians to the world in various fields.

## **FACULTY OF SCIENCE – First-Year DSC model**

Courses offered under NEP-2020

Major/Minor Courses: Students have to choose two subjects from the list of combinations given below. He will be able to choose any one of them as a major subject in the second year and the other subject from the combination he has chosen will become his/her minor subject.

1. Botany- Microbiology	2. Botany-Zoology	3. Chemistry-Botany
4. Chemistry-Physics	5. Mathematics-Physics	6. Mathematics-Chemistry
7. Microbiology-Zoology	8. Microbiology-Chemistry	9. Physics-Statistics
10. Statistics -Microbiology	11. Statistics -Mathematics	12. Zoology-Chemistry

Students have to give a preference for three combinations from the above twelve combinations. Depending upon seat availability, infrastructure and existing government as well as Mumbai University rules, admission will be granted to the students.

**VSC: Vocational Skill Courses:** Students have the opportunity to learn from a diverse vocational skill course. These courses include Hands-on training corresponding to Major subjects.

**OE: Open Elective Courses:** Various disciplines within the Arts Faculty provide a range of Generic/Open Elective (OE) courses. (Anyone from each group).

<b>Semester I</b>	<b>Semester II</b>
English Defence Studies Economics	Psychology Education Geography
<b>Semester III</b>	<b>Semester IV</b>
Political Science Sanskrit	Hindi Sociology
Ancient Indian Culture Marathi	History Philosophy

**VEC: Value Education Course offered (Semesters I and II):** Value education courses are introduced in the curriculum because they aim to instill ethical and moral values, promote character development, and help students become responsible and socially conscious individuals.

The course title under this verticle is **Good Citizen** (Understanding India, Environment Science/Education, Digital and technological solutions)

**SEC: Skill Enhancement Courses (Semesters I and II):** A variety of skill enhancement courses are made available for students to participate in and enhance their abilities.

Semester I	Semester II
Technology Tools for Job Placement-I OR Tools for Online Content Creation-I	Technology Tools for Job Placement-II OR Tools for Online Content Creation-II

**AEC: Ability Enhancement Courses:** The focus of both languages is on developing linguistic and Communication Skills.

Semester I	Semester II
<b>Marathi:</b> लेखन कौशल्य <b>Hindi:</b> अनिवार्य हिंदी -१	<b>Marathi:</b> भाषा संपादन कौशल्य <b>Hindi:</b> अनिवार्य हिंदी - २

**CC: Co-Curricular Courses:** PTVA's Sathaye College has always emphasized on holistic development of Learners. Co-Curricular activities have always been an integral part of Sathaye's mission to provide quality education to students. Co-curricular activities promote the growth of diverse mental and personality dimensions, including intellectual, emotional, social, moral, and artistic development. These activities include disciplines that are not part of the usual academic curriculum but are beneficial for an individual's overall development.

- Cultural Events / College festival / EDC activity/ Co-curricular Course
- NCC Studies
- NSS Studies

**IKS: Indian Knowledge System** - IKS encompasses a wide range of ancient wisdom, including traditional medicine, astrology, yoga, meditation, and more. These systems have been passed down through generations and have played a significant role in shaping India's history and culture.

**Self-Financed Courses (B.Sc. IT, B.A.M.M.C., B.Com. (Management) & B.A.F.): First-Year DSC model Courses offered under NEP-2020**

**Major/Minor Courses:** Information Technology, Mass Communication, Management Studies, Accounts and Finance

**Combination of MAJOR / MINOR Courses:** Students can customize his/her academic path by selecting both a major and one minor course that aligns with their interests and goals.

Major	Minor (Any One)
Information Technology	Mathematics and Statistics, Electronics
Mass Communication	Advertising, Journalism
Management Studies	Finance, Marketing
Accounts and Finance	Taxation

**Vocational Skill Courses (VSC):** Students have the opportunity to learn from a diverse vocational skill course. These courses include Hands-on training corresponding to Major subjects.

Major	VSC in Semester I	VSC in Semester II
Information Technology	Computer Lab Technician	Website Development using WordPress
Mass Communication	IT for Media I	IT for Media II
Management Studies	Modern office management	Finance for everyone
Accounts and Finance	Modern office management	Finance for everyone

**Open Elective Courses (OE):** Various disciplines within the SFC provide a range of Generic/Open Elective (OE) courses.

Semester I	Semester II
Information Technology: Introduction to Computing Concepts	Information Technology: Eco Friendly IT
Mass Media: Effective Communication	Mass Media: Film Appreciation
Management Studies: Stress Management	Management Studies: Event Marketing
Accounts and Finance: Stress Management	Accounts and Finance: Event Marketing

**VEC: Value education Course offered (Semesters I and II):** Value education courses are introduced in the curriculum because they aim to instill ethical and moral values, promote character development, and help students become responsible and socially conscious individuals.

**Good Citizen** (Understanding India, Environment Science/Education, Digital and technological solutions).

**SEC: Skill Enhancement Courses (Semesters I and II):** A variety of skill enhancement courses are made available for students to participate in and enhance their abilities.

Semester I	Semester II
Technology Tools for Job Placement-I OR Tools for Online Content Creation-I	Technology Tools for Job Placement-II OR Tools for Online Content Creation-II

**AEC: Ability enhancement Courses:** The focus of both languages is on developing linguistic and communication skills.

**Semester I-English:** Business Communication I

**Semester II-English:** Business Communication II

**CC: Co-curricular Courses:** PTVA's Sathaye College has always emphasized on holistic development of Learners. Co-Curricular activities have always been an integral part of Sathaye's mission to provide quality education to students. Co-curricular activities promote the growth of diverse mental and personality dimensions, including intellectual, emotional, social, moral, and artistic development. These activities include disciplines that are not part of the usual academic curriculum but are beneficial for an individual's overall development.

- Cultural Events / College festival / EDC activity/ Co-curricular Course
- NCC Studies
- NSS Studies

**IKS: Indian Knowledge System - IKS encompasses a wide range of ancient wisdom, including traditional medicine, astrology, yoga, meditation, and more. These systems have been passed down through generations and have played a significant role in shaping India's history and culture.**

## POSTGRADUATE PROGRAMS

At Sathaye College (Autonomous), the following programs are offered

Sr. No.	Faculty of Science	Sr. No.	Self-financed Programs
1	M.Sc. Botany	1	M.A. Buddhist Studies
2	M.Sc. Chemistry	2	M.A. History
		3	M.A. Hindi
		4	M.A.C.J.
		5	M.A.E.M.A.
		6	M.Com. (Advanced Accountancy)
		7	M.Sc. Data Science
		8	M.Sc. IT
		9	M.Sc. Zoology (Molecular Biology)
		10	M.Sc. Microbiology
		11	M.Sc. Physics

### **M.Sc. Microbiology:**

**Intake Capacity 20**

**The Department of Microbiology** was established in the year 1981 and has been proficiently conducting the undergraduate programme for the last 42 years. M.Sc. in Microbiology is initiated from the academic year 2024-25 under NEP 2020 Credit Based Grading System Framework.

**M.Sc. in Microbiology** is a two-year postgraduate programme in Microbiology segregated into four semesters. This discipline combines Microbial diversity, Physiology, extremophiles Enzymology, Molecular Biology and Recombinant DNA technology Molecular immunology, Bioinstrumentation, Computational Biology & Bioinformatics, Quality control and Quality

assurance in laboratory for the investigation of the living systems and aims to discover their relationship with the environment, health care sector, diagnostics, food, dairy and pharmaceutical industries. This programme includes core microbiology and interdisciplinary subjects along with a research project leading to a dissertation. A multidisciplinary approach is the core essence of the programme achieved through open electives. The programme also includes an industrial internship in the second year, which provides students with practical experience and helps them develop their skills and knowledge.

### **Objectives of M.Sc. In Microbiology Programme**

- ✓ Curriculum designed for outcome-based learning
- ✓ Exposure to Laboratories with industrial and research standard advanced instruments.
- ✓ Experienced faculties with urge of continuous updating and student mentoring attitude.
- ✓ Research attitude development through problem solving practical pedagogy.
- ✓ Professional preparedness through visits, workshops and training.
- ✓ Employability, entrepreneurship, and technical skill-based curriculum.
- ✓ Holistic development of students with the aim to impart leadership, entrepreneurship, and cultural values along with technical expertise.
- ✓ Ethics, Independent Thinking and Teamwork

### **Career Opportunities**

**Government Sector** - Health Services, Biodiversity Board, Scientific Adviser, R & D Laboratories, Forensic Scientist, Oil & Natural Gas Industry, Academic Institutes, Agriculture Departments.

**Private Sectors**- Food & Cosmetics Industries, Biotechnology Firms, Biopharmaceuticals, Agriculture Industries, Diagnostics & Healthcare, Fermentation Industries, Fisheries Industries, Bioentrepreneurship and IPR

**Eligibility Criteria** The candidate should have passed a Bachelor Degree under 10+2+3 pattern of education in science with the subjects of Microbiology as the major subject for Bachelor's programme, from any College/ University recognized by the University of Mumbai / University Grant Commission, New Delhi. Minimum 55% marks secured in B.Sc. three-year integrated Degree program with 6 unit or 3 units Microbiology. Students whose 6 semester results are awaited are eligible to apply but their admission will be provisional.

### **Program: M.Sc. Zoology (Molecular Biology)**

**Area of Specialization:** Molecular Biology **Type:** M.Sc. Zoology- by paper

### **About the department:**

**Intake capacity: 20**

The Department of Zoology was established independently in 1982. The department has a rich history of creating successful UG students, many of whom continue to pursue their PG and become well known researchers and academicians. Under the autonomous status, we are introducing the M.Sc. Zoology program with Molecular Biology as a specialization.

## Features of the M.Sc. Zoology program:

1. **Curriculum:** The curriculum is designed to enable learners to get in-depth knowledge of the subject by **syllabi based on competitive exams like NTA CSIR-UGC NET, Mh-SET, GATE, DBT-JRF** etc.
2. **Practical based learning:** For each theory course there is associated practical course which allows learners to apply the theoretical learning into practicals.
3. **Industrial exposure through On job training.** In semester II, learners will be given hands-on training in various industries like healthcare, Biotechnology, Chemical etc.
4. **Research exposure through research projects.** Learners will have to take up a research project in the semester III and IV. The research project to be carried out across various research institutes across Mumbai.
5. **Holistic development of the learner:** The department of Zoology has a reputation of keeping close eye on the academic development of the learners through programs like Research Journal Club, Student Guardianship Program, Field Visits, Research Internships etc. Approachable faculty makes it easier for learners to share the difficulties in learning.

## M.Sc. Physics:

Intake capacity: 20

**The Department of Physics** was established in the year 1969 and has a **rich heritage of over 55 years** of producing the brightest talent. Many of our graduates are currently employed or doing research at renowned research institutes and universities, like TIFR, IIGM, CDAC, Nehru Science Centre, NCL, Max Plank Institute, Cardiff University and many other, contributing to the work in their respective fields.

M.Sc. in Physics is initiated from the academic year 2024-25 under NEP 2020 Credit Based Grading System Framework. It is a two-year, four semesters' postgraduate programme in Physics.

- The MSc Physics program at PTVA's Sathaye College (Autonomous) is designed to provide students with a comprehensive and in-depth understanding of the fundamental and advanced concepts in physics.
- The program integrates various branches of physics, including Nuclear Physics, Material Science, Quantum Mechanics, Electrodynamics, and Semiconductor Devices, providing a holistic understanding of the subject with a strong emphasis on both theoretical and practical knowledge.
- The curriculum is structured to foster critical thinking, problem-solving skills, and research capabilities, preparing students for diverse career opportunities in academia, industry, and research institutions.
- Students can choose from specialized elective threads in Material Science and Nuclear Physics, allowing them to tailor their studies to their interests and career goals.

## Objectives of M.Sc. in Physics Programme

1. To provide a strong foundation in advanced physics concepts.
2. To develop practical skills through hands-on lab work.
3. To prepare students for research and innovation in physics.
4. To enhance problem-solving and analytical abilities.
5. To offer specialized knowledge in areas like nuclear physics and material science.
6. To encourage critical thinking and independent study.

### Eligibility Criteria:

- The candidate should have passed a Bachelor Degree under 10+2+3 pattern of education in science with the subjects of Physics as the major subject for Bachelor's programme, from any College/ University recognized by the University of Mumbai / University Grant Commission, New Delhi.
- Minimum 55% marks secured in B.Sc. Physics. Students whose 6 semester results are awaited are eligible to apply but their admission will be provisional.

### Credit distribution structure for Two Years/ One Year PG (M.A./M.Sc./M.Com.) and Ph. D. Program

## EXAMINATIONS: (Aided and Unaided Programs)

1. The First Year, Second Year and Third Year of Undergraduate and Part-1, Part-2 of Post Graduate Examinations will be conducted by Sathaye College (Autonomous).
2. The details regarding the examinations conducted by the college will be displayed on the notice boards, official telegram group, Mastersoft student's diary app and College Website from time to time.
3. Promotion to the Second Year and Third Year classes will be on the basis of the performance at the First Year and Second Year examinations respectively, as per Sathaye College (Autonomous) Examination Policy adopted on 6<sup>th</sup> January 2024.
4. **Credit-Based Evaluation System:**

<b>% of Marks Obtained</b>	<b>Grade Point</b>	<b>Grade</b>	<b>Performance</b>
90.00-100	10	O	Outstanding
80.00 - < 90.00	9	A+	Excellent
70.00 - < 80.00	8	A	Very Good
60.00 - < 70.00	7	B+	Good
55.00 - < 60.00	6	B	Above Average
50.00 - < 55.00	5	C	Average
40.00 - < 50.00	4	P	Pass
Below 40	0	F	Fail

### 4 (a) **Scheme of Examinations (For F.Y., S.Y., T.Y., P.G. part-I, P.G. part-II)-**

The performance of the learners will be evaluated in two components.

- The first component will be the Continuous Internal Assessment (CIA) carrying 40% marks conducted by the Head of the Department.
- The second component will be the semester-wise Semester End Examination (SEE) carrying 60% marks conducted by the Controller of Examinations.

**In subjects like OE (Open Elective), Vocational Skill Course (VSC), SEC (Skill Enhancement Course), VEC (Value Education Course), On Job Training (OJT), Field project (FP), Community Engagement Program (CEP), Research Project (RP), CC (Co-curricular Course), the examinations will be conducted as per the policy adopted by their respective Board of Study.**

### 4 (b) **Practical Courses-**

Continuous internal assessment shall not be applicable for practical courses.

Semester End Practical Examination for each practical course is conducted at the end of semester as per the direction given in the syllabus of the respective Board of Studies.

- 4 (c) **The total credits to be earned by the student to achieve Under-Graduate Program Degree and Post-Graduate Program Degree shall be as follows:**

<b>Program</b>	<b>Sem-I</b>	<b>Sem-II</b>	<b>Sem-III</b>	<b>Sem-IV</b>	<b>Sem-V</b>	<b>Sem-VI</b>	<b>Total</b>
Under-Graduate	22	22	22	22	22	22	132
Post Graduate	22	22	22	22	--	--	88

5. A student found to have used unfair means in the examination will be dealt with as per Examination Policy section 26 (Ordinance 5050)

6. **Standard of Passing-**

The standard of passing, rules of disqualification, rules of gracing and benefit of A.T.K.T. will be as prescribed by the Examination Policy of Sathaye College (Autonomous).

Passing Standard- To pass the course, learners shall have to obtain a minimum 40% in CIA and SEE separately for each course.

For the Science stream, theory examination & practical examination shall remain separate heads of passing.

7. **Eligibility for Admission to all the UnderGraduate and Postgraduate Programs (aided and unaided) under Credit Based Semester and Grading System:**

**Allowed to Keep Terms (ATKT) rule- for UG and PG**

- A) A student shall be allowed to keep term for Semester II, irrespective of the number of heads of failure in Semester I.
- B) A student shall be allowed to keep term for semester III, irrespective of the number of heads of failure in semesters I and II.
- C) A student shall be allowed to keep term for Semester IV, irrespective of the number of heads of failure in the semester-III
- D) A student shall be allowed to keep term for semester V, irrespective of the number of heads of failure in semesters I, II, III and IV.
- E) A student shall be allowed to keep term for Semester VI, irrespective of the number of heads of failure in the Semester V.

**The result of semester VI for UG and semester IV for PG will not be declared until that student has cleared all courses from previous semesters.**

## **ABOUT RESEARCH**

Education and research are complementary to each other. Research-oriented teaching-learning helps higher education institutes achieve global competency. Research keeps teachers updated and makes teaching more interesting to students. It fosters application-oriented studies in students.

In view of this, the Research Committee has introduced two programs to nurture the research environment in our college. The first is "The Fledgling Researchers' Programme," through which the students will explore their new research ideas under the guidance of the research advisors. Surely, this program will engender the next generation of quality researchers.

"The Reminiscences of a Research Journey" is the second programme. The senior faculty members share the experiences and difficulties faced by them during their research journey. This encourages the young researchers to conduct research and forecast potential future problems.

To facilitate the research environment, the College started the Central Research and Instrumentation Laboratory in 2022. It provides major basic instruments used in scientific research and different advanced software for research in Languages, Commerce, and the Humanities.

Of the total 64 permanent faculty members, one has a D.Litt, twenty-seven hold Phd degrees, and eight are pursuing the doctoral programme. A total of 222 research papers have been published in National and International Journals. A total of 65 books and 9 chapters in various books have been published in the last five years. The college has received a research grant of Rs. 40, 46,970 and 15 research projects have been completed by the faculty members.

## **ABOUT THE LIBRARY**

Sathaye College Library aims at facilitating a better understanding of core-subjects along with sensitization and awareness of current issues in society. The library has a vivid collection of books related to its syllabus of various courses namely B.A., B.Sc., B.Com., M.Sc. (Chemistry), M.Sc.(Botany), B.M.S., B.A.M.M C, B.Sc.(I.T.), M.Sc.(I.T.), M. A. (Hindi), M.A. ( Buddhism Studies) It has about 74,000 Printed books on various subjects, 82 magazines and journals and nearly 900 educational CD ROMs, 9000 Exclusive Reference Books for spontaneous consultation , 12 Daily Newspapers, 1200 Bound Volumes of Journals. Book Bank for textbooks on yearly basis is available for economically deprived students whose annual income is below Rs. 60,000/-.

### **Olympiad Books**

The students who are aspiring for various examinations of the Olympiad in Mathematics, Science are guided by these reading materials.

### **Personality Awareness and Self- Grooming Books**

The library receives various pamphlets and books having information about **Personality awareness** and Career Building. A separate cupboard has been created to preserve these books. The students are advised to browse through the pamphlets, internet sites, books etc. for getting a clear perspective about a particular career and development of interest in desired areas.

### **Competitive Exams and Career Guidance Books**

Entrance Examination and Competitive Examination Books are provided **from Current Reading Counter**

### **Borrowing Rights**

- The Useful instructions for Library services are printed on the rear side of the Library Identity Card, for your ready reference.
- “The Special Privilege Cards OR Reading Club Card” for reading are available to the Bonafide Students of this college as per the recommendations by Departmental Teachers and scrutiny of the Reading Room Statistics in the library.

- The journals and magazines are issued to students in the Reading Hall for spot reading only. They should not lend the magazines and journals out of the library (except paid memberships via Special Reading Club Card).
- Sending reminders for the books is not obligatory for the library.
- No reader should take a book or any material out of the library without having it properly issued to him or her.
- Books drawn on lost cards will continue to be the responsibility of the borrower( in whose name the card was issued). Hence it is the sole responsibility of the students to inform the lost cards to Library immediately to mark the card in the system.
- For refund of Caution Money, Students must submit their set of library tickets along with the application to the Library.
- The regular students are requested to retain their library cards till the renewal of the membership next year.
- Books returned late during examination period will call for a heavy fine.

### **Code of Conduct for Library Users**

- Bibliographies and reading lists.
- Fact-finding spot Reading from Reference Books .
- Guidance for searching the information from internet and literature search

### **Electronic Services**

- Library OPAC on the Sathaye College Web site with the quick link
- CDs and DVDs of reference materials, learning resources.
- Students must display their I Cards prominently while entering the reading hall. They are required to show their I Cards for attendance registration at the counter to the library staff.
- Use of cell phones, laptops in the reading hall is restricted to limited Zones.
- Writing or making any kind of mark in a book or periodical is forbidden.
- Cutting or tearing of any photo or page from any publication is prohibited..
- Kindly observe the social discipline in the library hall and adhere strictly to its rules and regulations.
- Smoking or Eating is prohibited in the library
- Readers are not allowed to take their baggage inside the stack area except small notebook and pen.

- It is the responsibility of every borrower to keep the borrower tickets in their custody. If these are lost, the same should be reported immediately to the Principal. Duplicate borrower tickets can be obtained on payment of Rs. 100/-.
- All readers are required to observe discipline in the library. Kindly behave with the library counter staff politely in order to get good and quick service from them.
- Students are advised to read the notices from time to time, put-up on the Notice-board for important announcements and Notifications of the college. Kindly visit the website of the college for upcoming events and notices.

### **Current Reading Section:**

- Reference Books (Encyclopedia, Directory, Handbook, Dictionary, Atlas) shall not be taken out of the library.
- Every reader using the reference section of the library shall return the book(s) consulted to the staff at the reference counter before leaving the library.
- Counter Staff of the library will assist the readers in locating the relevant information and/or sources on the said subject of their study and interest through OPAC. The students are required to log in at OPAC on the quick link and submit the requirement in search windows.
- If a reader has not finished reading any book of spot consultation and still wants to continue with the book for the next day he may be allowed for an overnight issue of the said book on producing the relevant demand card kept at the counter.
- Photocopying of entire books is prohibited as per the CopyRight Acts. If a reader wishes to photocopy certain portions or pages of a book, he should apply for the photocopy facility in the relevant Performa and make the payment for the same at the rate Re 1/- per page at counters in the Reading Hall.
- The library reserves the right to refuse a copying order if, in its judgment, fulfillment of the order would involve violation of Indian Copyright Act, 1957, which governs the making of photocopies or other reproductions of copyright material.
- Question paper sets and Syllabus files are available on special request for referring in the Reading Hall only.

### **Cost for Damaged Books or Periodicals**

- Books written in, underlined, mutilated, damaged or lost by the Readers, must be paid for at a rate determined by the library.
- If any book or periodical is damaged or lost by the borrower he/she will either replace it by another copy or pay the current cost with the handling charges additional to the cost. The copy has to be replaced by way of a new one of the same or later edition.

- The price of a rare/out of print book will be determined by the authorities and it should be paid by the borrower responsible for the damage or loss of the book/periodical.
- When a single volume from a multi-volume set is lost or damaged the specific price of the whole set will be charged, unless and otherwise the said volume of the set lost can be obtained separately. In this case the cost of the particular volume alone will be recovered.

### **How to search for the books in the library with Computerized Access**

So as to facilitate the fast retrieval and search of the books, list of maximum books in the library are made available on the OPAC and searchable quick links

### **Online Public Access Catalog (OPAC)**

The Online Public Access Catalog (OPAC) provides members with a listing of all material available in the library. The OPAC can be searched by author, title, subject, call number, key word and several other options. In addition to identifying the availability of a book in the library, the OPAC also indicates whether the book is presently available or checked out. Library staff assist in using OPAC effectively and locating the title you desire.

**Facilities for Computing:** Network Resource Center is the Computing Facility available for Accessing the Resources on the College Website. Students can make use of the center after recommendation of Teachers in relevant Proforma

Privilege Counters for Railway Concession and BEST Facilities are available near the Photocopy Center. Please visit the Students' corner on the Sathaye College Website for detailed information about freship and Scholarships

**Support to Physically Challenged Students :** Library provides the support to Physically Challenged Students . Poor Vision and Blind students are helped by providing special gadgets for Reading the Books and soft files on JAWS assisted computers. Chair Bound students are provided with special assistance for stack rooms and reading room facilities. Assistance for Back files of Question papers and Reading Materials are available for specific subjects in the library.

Students are supported to participate in all co-curricular and Socio-cultural activities of the College Committees.

Lost and Found items are located in a special cupboard in the library. The forms are available to lodge the complains at counter for lost objects

### **Suggestions and complaints and Feedback for Review**

Students can submit their grievances, complaints and suggestions to the authorities of the college by way of feedback forms available from the Library and also the website quick links. Co-operation of the students is earnestly requested in observing the perfect discipline in the library.

## **ASSOCIATION OF SATHAYE PARLE ALUMNI (ASPA)**

The College has an alumni association named “Association of Sathaye Parle Alumni” (ASPA) registered under Registration No-1132/2008 G.B.B.S.D. dated 17th June, 2008. The Alumni meetings are organized once / twice a year by the College. Illustrious and prominent alumni are invited to deliver special lectures motivating the students to go for higher education and find the correct job opportunities. The college has its alumni placed in various good positions, who have brought laurels by shining in all walks of life like administrative and foreign services, defense, education, art, film, theater, sports, dance, music, I.T., media and so on. Simple, hard-working students imbued with a sense of educational attainment, are our true strength, reminding all of us of our vision statement, “Purnata Gauravay” (पूर्णता गौरवाय).

## **COUNSELING CELL**

A Counseling Cell in a college setting plays a crucial role in supporting the holistic well-being of students and promoting a healthy campus culture. It provides mental health and emotional support services to students.

The Counseling Cell of Sathaye College (Autonomous) provides excellent guidance and support to students of degree and junior college, for their mental health, adjustment issues and academic challenges.

The Cell also conducts seminars and workshops focusing on student’s overall Psychological Well-being. Individual counseling is provided to students who need special attention by well-trained Mental Health Professionals. Counseling cells help students cope better with the demands of academic life and maintain a healthy work-life balance.

## **ENTREPRENEURSHIP DEVELOPMENT CELL (EDC)**

Sathaye College established its Entrepreneurship Development Cell (EDC) in November 2020. The EDC organizes various activities including talks by influencing personalities from industry, workshops and business organizations. EDC also encourages students to participate in various intercollegiate business competitions and take efforts in facilitation of internships activities for the college students.

Market/Stall Exhibitions and Monday Market activity are the major activities conducted by degree and junior college.

EDC has an MoU with our sister concern College namely PTVA’s Institute of Management to form IIC and access the Incubation Centre namely the Centre for Entrepreneurship and Innovations (COEI)

Sathaye College is ready to handhold early stage Start-Ups to develop their products from their idea stage to funding stage with the help of its EDC and with the help of Incubation Centre, COEI by providing necessary resources, training, mentoring, and investing opportunities.

## **SATHAYE COLLEGE GREEN CLUB (SCGC)**

As per the guidelines received from Government of Maharashtra and UNICEF, Sathaye College has established Green Club (SCGC) to provide the values of environmental stewardship among the students. It aims to work towards an eco-friendly environment in and around the college by efficient use of resources like water, waste and energy . This program aims to empower the students to participate in and take up meaningful environmental activities and projects. Sathaye College Green Club organises various activities for the students to ensure effective implementation and act as a platform to develop sustainable lifestyles, knowledge, and leadership skills.

Green club activities are focused on themes such as Water Conservation, Waste Management and Circularity, Energy Efficiency and Biodiversity Conservation.

## **NATIONAL SERVICE SCHEME (NSS)**

National Service Scheme, is a voluntary organization focused on community service. Its objectives include developing students' personalities, fostering social responsibility, and promoting citizenship. NSS mobilizes students for nation-building through various activities. It aims to instill a sense of empathy and understanding of social issues. NSS provides opportunities for students to work with marginalized communities. NSS conducts many social activities like blood donation camps, tree plantations, waste management, crowd control, special camps, disaster management, leadership training, medical camps, and many more to mention.

Our students from DC and JC have attended various special camps at state, regional and zonal levels and bagged prizes in various activities.

## **ROTARACT CLUB**

Rotaract club was started in Sathaye College in the year 1989. Rotaract is a club for adults aged 18-30 that plans various activities and also different professional development seminars and management activities that give experience to the youth.

The main aim of any Rotaract Club is to serve the community and work for the betterment of the same. There are few constitutional bylaws according to which the club operates and it's mandatory to follow the same. There are 11 avenues overall and each avenue works with different productive aims. There is a hierarchy that is followed within each Rotaract Club i.e The core team is followed by the Board of Directors and then the members.

## IQAC

In pursuance of its Action Plan for performance evaluation, assessment & accreditation & quality up-gradation of institutions of higher education, NAAC proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system & work towards realization of the goals of quality enhancement & sustenance. The prime task of the IQAC is to develop a system for conscious, consistent & catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts & measures of the institution towards promoting its holistic academic excellence.

### Strategies

- IQAC shall evolve mechanisms and procedures for:
- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks
- The relevance and quality of academic and research programmes
- Equitable access to and affordability of academic programmes for various sections of society
- Optimization and integration of modern methods of teaching and learning
- The credibility of evaluation procedures
- Ensuring the adequacy, maintenance and functioning of the support structure and services
- Research sharing and networking with other institutions in India and abroad

## INTERNAL QUALITY ASSURANCE CELL

## **QUALITY POLICY :**

To ensure continuous improvement in the entire operation of the institution by timely, efficient, and progressive performance in all spheres with suitable interventions for quality.

For this, the Management and the staff are committed to providing holistic education to the students through an empowering process of participation of various stakeholders in adequate measure

As part of the quality policy, there shall be a provision to receive a suggestion box and redress grievances. Complaints regarding facilities can be registered in the College office.

- Focusing on the academic standing and overall knowledge development of the students
- Enhancing the competence of the faculty to a very high level and making them adopt all modern and innovative methods in the teaching-learning process
- Inculcating moral and ethical values among the students and staff
- Collaborating with industry, other institutions, and organizations for mutual benefit
- Promoting Research and Development programs for the growth of the economy
- Propagate technical knowledge in the region through continuing education programs
